We are a charity working with people in need of accommodation and tenancy related support across the West Midlands. We work in conjunction with the private sector and housing associations to provide general needs and specialist services to care leavers, people who are homeless or at risk of homelessness and refugees.

We deliver a range of person-centred services to support individuals to *obtain*, *maintain* and *sustain* accommodation long term.

We currently employ nearly 100 staff and operate throughout Birmingham, Worcestershire, Herefordshire and Staffordshire.

We provide *exempt* accommodation housing and support solutions across 6 geographical regions and 15 local authorities.

We really value our staff team – they are the reason Spring provides excellent services. Our staff embrace and live our values on a day to day basis.

Thank you from Dominic Bradley

Dear Applicant,

I would like to thank you for your interest in working with Spring Housing.

I'm really excited by the direction Spring is taking as an organisation. We started in 2014 to get back to the original ethos of why housing associations were initially established, we saw that the housing crisis was getting worse and that homelessness continued to be a major issue across the Midlands and we wanted to use our relationships with private sector landlords to bring private houses into social use for social purpose.

We believe we are still living to our original purposes and making a real difference to our customers lives.

We have only been able to do this through the dedication and commitment of our staff. They have been fundamental in the lives of our customers and the success of our services to date.

I'm sure, if you are successful that you will see what makes Spring different!

We are a relatively new organisation with a "can-do" attitude, and diverse in our services and people. It's a really exciting place to work and you will be joining and contributing to an organisation with a real passion to make a long-term difference to the lives of our customers.

If you are successful in your application, we will assist you to settle into your new role and team as quickly as possible.

I hope that you find this information useful and informative during the application process. If you require further information, please email recruitment@springhousing.org.uk or visit our website

Yours sincerely,

Dominic Bradley
Managing Director
