

Cookie Policy and Statement

Introduction

This Cookie Policy explains what cookies are and how we use them, the types of cookies we use i.e. the information we collect using cookies and how that information is used, and how to control the cookie preferences. For further information on how we use, store, and keep your personal data secure, see our [Website Privacy Policy](#)

You can at any time change or withdraw your consent from the Cookie Declaration on our website. Learn more about who we are, how you can contact us, and how we process personal data in our [Website Privacy Policy](#). Your consent applies to the following domains: <https://springhousing.org.uk/>

What are cookies?

Cookies are small text files that are used to store small pieces of information. They are stored on your device when the website is loaded on your browser. These cookies help us make the website function properly, make it more secure, provide better user experience, and understand how the website performs and to analyse what works and where it needs improvement.

How do we use cookies?

As most of the online services, our website uses first-party and third-party cookies for several purposes. First-party cookies are mostly necessary for the website to function the right way, and they do not collect any of your personally identifiable data. The third-party cookies used on our website are mainly for understanding how the website performs, how you interact with our website, keeping our services secure, providing advertisements that are relevant to you, and all in all providing you with a better and improved user experience and help speed up your future interactions with our website.

What types of cookies do we use?

- **Necessary:** Necessary cookies are absolutely essential for the website to function properly. These cookies ensure basic functionalities and security features of the website, anonymously.
- **Analytics:** Analytical cookies are used to understand how visitors interact with the website. These cookies help provide information on metrics the number of visitors, bounce rate, traffic source, etc.
- **Functional:** Functional cookies help to perform certain functionalities like sharing the content of the website on social media platforms, collect feedbacks, and other third-party features.
- **Performance:** Performance cookies are used to understand and analyze the key performance indexes of the website which helps in delivering a better user experience for the visitors.
